On-line Credit Card Payments

OVERVIEW

The Credit Card module is designed to allow attorney filers to pay filing fees interactively as part of the electronic filing process via the Internet to the U. S. Treasury. Upon the successful submission of a document requiring a filing fee, the attorney has the option to pay after every transaction or can simply make on payment at the end of the day for all transactions.

NOTE: Once you have completed the on-line payment of fees, the receipt entry will be automatically posted to the docket sheet for the case(s). The entry will include the filing fee and receipt number.

PROCEDURE

Filing a New Bankruptcy Case

When you have completed the opening of a new case, a pop-up window will appear. You may either select the Pay Now option or the Continue Filing option.

IF YOU CONTINUE FILING

You will receive an opportunity to Pay Now after each subsequent transaction or you may pay at the end of the day using the Utilities menu option, Internet Payment Due or Credit Card Payments Outstanding. This option accumulates the costs of all filings for the day. Each time you file a document that requires a fee, the Summary of current charges screen will be presented with all accumulated charges. Filing fees MUST be paid by the end of the day. Insure that your credit card limit/balance is sufficient to cover the entire balance for all fees due on the filings made that day.

NOTE: If your credit card is declined or you failed to pay all fees due, you will be contacted via Bankruptcy Clerk's Office E-mail (within 24 hrs.) requesting immediate payment and to inform you that your ECF account has been automatically locked and that you will be unable to file online until fees are paid.

IF YOU PAY NOW

Click Pay Now and the credit card information screen will appear.

Filing a New Bankruptcy Case Using Quick Filing or “Flash” Filing

If you are using petition preparation software to submit your bankruptcy filings to the court, you will **NOT** be prompted with the credit card payment pop-up window upon completion of the filing. You will never have the option to Pay Now. In order to pay your fee(s), you will need to go to Utilities and use the *Internet Payments Due or Credit Card Payments Outstanding* feature in ECF. You must settle your account by the close of business each day. See the section below for instructions on how to use the *Internet Payments Due Report* for payment of fees.

Filing a New Adversary Case

The same procedure for filing bankruptcy cases through ECF applies for adversary cases. Upon filing your adversary in ECF, you are prompted to either select Pay Now option or the Continue Filing option. **NOTE:** There is an **EXCEPTION** to this procedure.

EXCEPTION: If the plaintiff is:

1. The United States, other than the U. S. Trustee acting as a trustee, or
2. The debtor, or
3. A Child support creditor, or its representative, who has concurrently filed an Appearance of Child Support

Then you will complete the filing of your adversary and select Continue Filing from the credit card payment pop-up screen. **DO NOT CLICK THE PAY NOW BUTTON IF THESE SPECIAL CIRCUMSTANCES APPLY.**

Next, send an Email to NoFee@insb.uscourts.gov to have the court remove the filing fee from your transaction log. Please include the following information in your E-mail:

1. Attorney Filer’s Name
2. Case Number
3. Event (adversary, motion of reopen, etc.)
4. Dollar Amount
5. Date of Filing, and
6. Reason the fee is to be waived

The court will review the case and notify you by E-mail that the fee has been waived.

If one of your adversary cases contains any of these special circumstances, do **NOT** settle your account until you have received E-mail notification from the court that the fee has been waived. This will ensure that the court has had time to receive your e-mail and remove the filing fee from your transaction log.

Filing a Motion

This procedure for using ECF credit card module works similarly for new case opening, motions and notices which require fees.

NOTE: If you are filing a motion for relief from stay that is exempt from the filing fee because it is:

1. Agreed, Stipulated or With Consent
2. Co-debtor Lift Stay
3. Filed by an agent of the government
4. Filed by a Child Support Creditor

Be sure to choose the correct “No Fee” event code. You will not be prompted to pay a filing fee.

Filing Amended Matrix and Schedules (D, E & F)

1. Select the event Amended matrix/amended schedules (fee)

By choosing this event, you will only be charge a single \$26.00 fee. If you docket these pleadings separately, you will be charges \$26.00 for each pleading.

PROBLEMS VIEWING SCREEN OPTIONS AFTER ACCOUNT WAS LOCKED -

Your account will automatically be unlocked once outstanding fees have been paid. Some users are having difficulty viewing all of their CM/ECF menu options after their accounts have been paid. The reason for this may be that the browser needs to be refreshed and the cache to be cleared. The following directions may help.

If you are using *Netscape* -

4. At the top of your screen, select “Edit” from the browser menu
5. Select “Preferences”
6. In the white Category box, click the “+” (plus sign) in front of the word Advanced
7. Highlight the word “Cache”
8. On the right side of the dialog box in the gray area,
 - a. Select “Clear Memory Cache” - click “OK”
 - b. Select “Clear Disk Cache” - click “OK”
9. Close the dialog box.
10. In CM/ECF, click on any menu item and your options should be available

If you are using *Internet Explorer (IE)* -

1. At the top of your screen, select “Tools” from the browser menu
2. Select “Internet Options”
3. In dialog box, under Temporary Internet Files section:
 - a. (Optional) Select “Delete Cookies” - click “OK”
 - b. Select “Delete Files” - click “OK”
4. In dialog box, under History section:
 - a. Select “Clear History:” - click “OK”
5. Close Dialog box.
6. In CM/ECF, click on any menu item and your options should be available.

SUPPORT ISSUES

- ◆ Some offices are using pop-up blocking software which may cause the payment screens from displaying. To alleviate this issue, the blocking software will need to be disabled during ECF access.

- ◆ Another cause of the payment window not displaying is that your browser cache needs to be cleared. In Netscape, go to Edit → Preferences and expand the Advance category and then click the Clear Memory Cache and Clear Disk Cache buttons. In Internet Explorer, go to Tools → Internet Options and click on the Delete Files button.
